TRAVEL & BUSINESS EXPENSE REPORT INSTRUCTIONS

Columbia University in the City of New York
Accounts Payable

SECTION 1: TRAVEL OR BUSINESS

The Travel & Business Expense Report has two uses:

1) Travel Expense reimbursements per trip

A trip may consist of multiple destinations and is defined by leaving, and then returning to
NYC (tri-state area). An overnight or extended stay is often involved.

All expenses associated with one trip are reported and tracked by the last date of expense or
return date to NYC (called Travel End Date).

Expenses from one trip may be reported on multiple Expense Reports so long as the reports
each share the same invoice number (based on the return to NYC date).

2) Business Expense reimbursements submitted on a regular basis (i.e., bi-monthly)

Business Expenses are expenses incurred locally/on campus during the normal course of
business, including local transportation, meals, or emergency supply purchases.

These expenses are reported for a period of time and tracked by the last date of expense
being reported (called Period End Date).

Steps

1. Select one box: Travel Expenses or Business Expenses depending upon the type of expenses being
   reimbursed (see above).
2. Enter the date of the earliest expense or First Date of Expense
3. Enter the last date of expense based on the travel return date (Travel End Date) or date of last job related
   Business Expense (Period End Date).

SECTION 2: PAYEE INFORMATION

Steps

4. Enter the Employee (Payee) Name
5. Enter the Payee's Home Address (P.O. boxes, campus, office or temporary addresses are not allowed).
6. Check the address change box to indicate that the Dept. Processor must contact Vendor Maintenance
   with new address information via the Vendor Request web form.

SECTION 3: CERTIFICATION & COMPLIANCE

Each expense must conform to University policy, Departmental policy and the rules of the IRS, Federal
Government or any Granting Agency.

Steps

7. The employee must sign and date the report, certifying the legitimate, reasonable and necessary
   business nature of all expenses being reimbursed.
8. Enter the Expense Report Validator’s Name
9. The Expense Report Validator must sign and date the Report, certifying the legitimate, reasonable and
   necessary business nature of all expenses being reimbursed.
10. Enter the Dept. Name / Dept. Number
11. Enter the Dept. Contact Name and Phone Number

SECTION 4: OTHER INFORMATION

Steps

12. For Travel: enter a Travel Advance (T) Number if the payee received an advance (all Travel Advances
    must be reconciled on an Expense Report showing the necessary expenses for which the advance was
    used). **For all advances, the account used should always be 17110**
13. For Travel: enter the main Departure and Arrival Points
14. Use the Personal Vehicle Mileage section to calculate personal vehicle mileage reimbursement amounts
    (the University does not reimburse for gas on private vehicle usage because it is included in the Federal
    Mileage Reimbursement Rate).
**SECTION 5: BUSINESS PURPOSES & ITEMIZED EXPENSES**

**Steps**

15 Enter the Overall Business Reason for incurring either Travel or Business expenses on behalf of the University (please be specific).
16 Enter itemized expenses (organized by date). Describe each expense in detail and include the circumstances (Business Reasons) that demonstrate why the expense was necessary and reasonable in order to conduct University business. Use the following abbreviations (B) Breakfast (L) Lunch (D) Dinner (BusM) Business Meal.
17 Segregate all "unallowable" expenses to Column B including: all amounts spent on alcohol and amounts above any threshold limit placed on meals, lodging, flight class, etc..

**SECTION 6: ACCOUNTING**

**Steps**

18 Enter any pre-paid amounts or travel advance amounts in the middle right-hand tally section and answer the question by circling Y or N.
19 The Dept. Processor will enter each ARC chart field value to be charged (using the 66310-66499 Account chartfield series for segregated expenses). The Dept. Processor will make sure that the chart field distribution totals match the total amount being reimbursed (these two totals must also match each other on the ARC Voucher).

**SECTION 7: OPTIONAL WORKSHEETS**

**Steps**

20 Use the Extra Page for more itemized expense entries
21 Use the optional Average Rate Currency Conversion Worksheet to convert foreign amounts into U.S. dollars using an average rate of exchange.
22 Use the optional Daily Rate Currency Conversion Worksheet to convert foreign amounts into U.S. dollars using an actual rate for each line item expense.

**SECTION 8: FINAL STEPS**

**Steps**

23 Save and print the report (print entire workbook if used). The report and worksheets should print one per page. If the workbook is not printing one per page, go to: File>Page Setup> and select "Fit to 1 page(s) wide by 1 tall" (you may need to select this option for each page depending on your system preferences).
24 Attach all supporting documentation including event flyers, flight information, all itemized hotel bills and receipts taped to 81/2 x 11 sized paper.
25 Copy the report and all receipts to keep a record on file.
26 The Dept. Processor enters the voucher into ARC and receives department approval through ARC.
27 The Dept. Processor writes the approved Voucher Number on each page of the report and the Date Received by the Department.
28 The Dept. Processor submits the report and all supporting documentation via the Procurement EDM process.
29 Accounts Payable will contact the Dept through email if there is any missing information needed to complete the expense report.
30 Accounts Payable works with the Dept. by double checking expenditures and providing guidance on policy matters relating to University payments.
31 Accounts Payable reviews and approves the voucher and issues payment.
In the space below, describe each expense, including the business purpose. For meals/meetings of 1-10 people, document names and relationships to CU. For groups of over 10, document total number of attendees only. For ALL expenses remember to segregate "unallowable" amounts to column B (such as any alcohol, etc.).

For Travel Advances, the exchange rate used at the time of currency exchange must be used when submitting expenses related to the advance. Exchange rates can be obtained by making notations on the original receipts obtained from establishments at the time of the currency exchange transaction.

For Employee Reimbursements, either an average rate or a date of expense rate can be used for currency exchange on expenses paid while traveling abroad. The date of expense rate can be obtained by making notations on the original receipts obtained from establishments at the time of the currency exchange transaction. For purchases made on a credit card, use the exchange rate for the transaction provided on the credit card statement.

**STEP-BY-STEP INSTRUCTIONS**

1. Obtain the exchange rate from the first day of expense and the last date of expense following the instructions above.
2. Enter the First Date of expense Exchange Rate into the Average Exchange Rate Calculator.
