

Assistant Professor - Physics

Recruitment #	2177
Position	Assistant Professor of Experimental Physics
Effective Date	August 17, 2015 (Fall Semester)
Salary Range	Commensurate with qualifications and experience

Minimum Qualifications

- Ph.D. in Physics or a closely related field at the time of application.
- Strong record of research in experimental physics including peer-reviewed publications.
- Demonstrated potential for developing and sustaining an externally funded research program involving students leading to publications.
- Demonstrated potential and commitment to excellence in teaching at both the undergraduate and graduate levels.
- Demonstrated commitment to working successfully with a diverse student population

Desired/Preferred Qualifications

- Postdoctoral research experience.
- Research focus compatible with, but not limited to current department research interests.
- Significant record of publications at the forefront of experimental physics with clear contribution.
- Prior teaching experience at the university level.
- Evidence of obtaining extramural grants.
- Experience or intent to engage undergraduate majors in research.

Duties

- Teach courses at all levels, including lower division undergraduate physics and physical science courses.
- Supervise research of both undergraduate and graduate students.
- Develop and sustain a research program involving students and leading to publications and external grants.
- Participate in activities that serve the department, college, university, and community.

CSULB seeks to recruit faculty who enthusiastically support the University's strong commitment to the academic success of all of our students, including students of color, students with disabilities, students who are first generation to college, veterans, students with diverse socio-economic backgrounds, and students of diverse sexual orientations and gender expressions. CSULB seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the People of California, to maintain the excellence of the University, and to offer our students a rich variety of expertise, perspectives, and ways of knowing and learning.

Required Documentation

- A Student Success Statement about your teaching or other experiences, successes, and challenges in working with a diverse student population (approximately one page)
- Letter of application addressing the minimum and desired/preferred qualifications
- CV (including current email address) including teaching and research experience
- Statements of research interests including the intent to engage undergraduate and graduate students in research.
- Statement of teaching philosophy
- Copy of transcript from institution awarding highest degree
- Three or more current letters of recommendation must be sent directly by references to the same address

PhysicsExperimentalist@csulb.edu.

- Finalists will also be required to submit a signed SC-1 form, three or more current letters of recommendation (if not already submitted), and an official transcript.

Electronic submissions are highly encouraged. All application materials should be sent as a single PDF document to PhysicsExperimentalist@csulb.edu.

Applications, required documentation, and/or requests for information should be addressed to:

Chuhee Kwon, Chair
California State University, Long Beach
Department of Physics and Astronomy
1250 Bellflower Boulevard
Long Beach, CA 90840-9505

PhysicsExperimentalist@csulb.edu

Application Deadline

- Review of applications to begin November 3, 2014.
- Position opened until filled (or recruitment canceled)

CSULB is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility and respect for the rights and sensibilities of each individual, without regard to race, color, national origin, ancestry, religious creed, sex, gender identification, sexual orientation, marital status, disability, medical condition, age, political affiliation, Vietnam era veteran status, or any other veteran's status. CSULB is an Equal Opportunity Employer.
